### **LEARNING TO WRITE CASE NOTES USING THE SOAP FORMAT**

This article was shared by one of our [PIMSY Partners](#), who said their providers found it very useful for writing case notes. It's an exploration of using the SOAP note format to provide clear and concise documentation for mental health continuum of care.

Published by the University of New Mexico's Journal of Counseling & Development (and copyrighted by Ebsco Publishing), we'd like to share it in case you also find it useful. [Click here](#) to read the article.

In PIMSY, you can use SOAP or any other note format you choose! [Contact](#)

### **PIMSY COMPLIANCE CORNER: ICD-10**

We will continue to provide complimentary tools & tips for 2014 compliance throughout the year, with a continued focus on ICD-10 over the next few months.

Although the deadline is 10/1/14, experts are suggesting that you begin testing with your payers this spring and making sure your staff is trained on the new processes by June.

Check out our [ICD-10 Resource Center](#) for more information and these printable / downloadable guides:
