Did You Miss!?

Mental Health for Meaningful Use complimentary webinar

We just presented two Meaningful Use (MU) for Mental Health webinars, hosted by MU consultant Adam Lowell. If you missed them, [click here for a video](#) - or [here](#) for a full list of excellent Q&A generated from the presentations.

Pls feel free to [send us your MU questions!](#) We're happy to answer them via email and help you get oriented to Meaningful Use for Mental / Behavioral Health.

PIMSY REVIEW BY TAME YOUR PRACTICE

"PIMSY is rare in that it is a Meaningful Use Certified EHR that was developed specifically for mental health professionals from the start. Because of this, it is missing many of the distracting features and work flows found in some of those "converted" systems.

WE'RE ON A MISSION!!

We really want to increase our likes on Facebook - will you help?

It takes literally just a few seconds to like our PIMSY Facebook page and help us reach our target goal:

[click here](#)

We'd love to connect with you via our

Further, PIMSY can be much more than just an EHR. Depending on the package purchased, PIMSY can function as a truly complete practice management system, especially for larger practices that need to track employees and/or contractors."
