Honoring Our Service Men & Women

We at PIMSY EHR would like to acknowledge and thank the Veterans who have served our nation. By their dedication and sacrifice, they have protected the freedom of all citizens. While we strive to be mindful of military veterans every day, we take the opportunity to officially honor them on this important holiday.

Paws 4 Soldiers

Recently, PIMSY supported Veterans with a contribution to [Paws 4 Soldiers](#), which serves Veterans who may suffer from Post-Traumatic Stress Disorder (PTSD), Traumatic Brain Injury (TBI), limited physical needs such as bracing and balance, and more. Paws 4 Soldiers matches Veterans with service dogs to assist in Activities of Daily Living and provide emotional and psychological support.

Resource Center / Blog

In addition to charitable contributions, PIMSY also maintains an ongoing [Veterans Resource Center / Blog](#) that shares tools and information for Veterans and enlisted military. If you have any resources you'd like us to share on the blog, please [send them to us](#). We welcome ongoing opportunities to support and honor service men and women.

Be sure to thank a Veteran today!

Check out the PIMSY [Veterans Resource Center](#) for more information.

HIPAA-Compliant Data Security

PIMSY is now hosted in the Microsoft Azure Cloud, which keeps your data secure through encrypted communications and

threat management / mitigation practices.
