## How are Drug Disorders Categorized in the DSM-5?

In regard to how addiction and substance use are diagnosed in the US, the latest edition of the Diagnostic and Statistical Manual of Mental Disorders (DSM-5) has combined the prior categories of ‘*substance abuse*’ and ‘*substance dependence*’ under ‘*Substance Use Disorder*’- which includes various types of addiction + dependence.

[Click here to take a closer look at the criteria that is now used to diagnose substance use disorders in the US, according to the American Psychiatric Association.](#)

**Don't take it from us...**

## WHAT DO PEOPLE LOVE ABOUT PIMSY?

PIMSY has been serving clients for over ten years now (!?!?), and we continually strive to deliver the best product + support we can to help your practice thrive and grow.

Our goal remains (and has always been) to help you: save time, reduce costs, maintain HIPAA compliance and operate as effectively + efficiently as possible. We offer first-class service to each + every customer > and support every customer's success.

**But don't just take it from us!... [click here to hear it from our customers](#)**

### Why PIMSY? We Keep it Fresh!

The beauty of working in mental health is that we are continually inspired by our customers. Seeing the incredibly difficult – yet vital – services they provide to their clients motivates us to give our very best, every day.

**We're continually updating PIMSY based on the needs, requests and feedback of the people who use PIMSY.**

This means that the product is constantly evolving to stay fresh and relevant. Old functionality is weeded out; and in addition to new features, our developers are constantly updating existing parts of PIMSY to work faster, better and more efficiently.

To see how PIMSY can support *your* growth – or for more details - contact us:
