

Comprehensive. Flexible. Affordable.

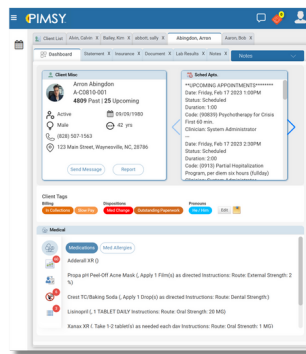

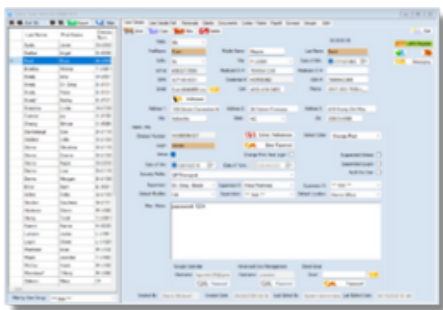

PIMSY EHR is a trusted solution with 15+ years of experience, serving mental & behavioral health agencies across the US and Canada. Over 6,000 practitioners and 1M+ active patients rely on PIMSY for critical needs in the EHR space.

Customizable

An intuitive and user-friendly interface that streamlines workflows, saving time on administrative tasks and increasing practitioner productivity, ultimately reducing the burden on clinics.

Cost & User Efficiency

PIMSY's intuitive and user-friendly platform minimizes redundant processes and administrative challenges, enabling clinics to enhance practitioner productivity and alleviate their burden.

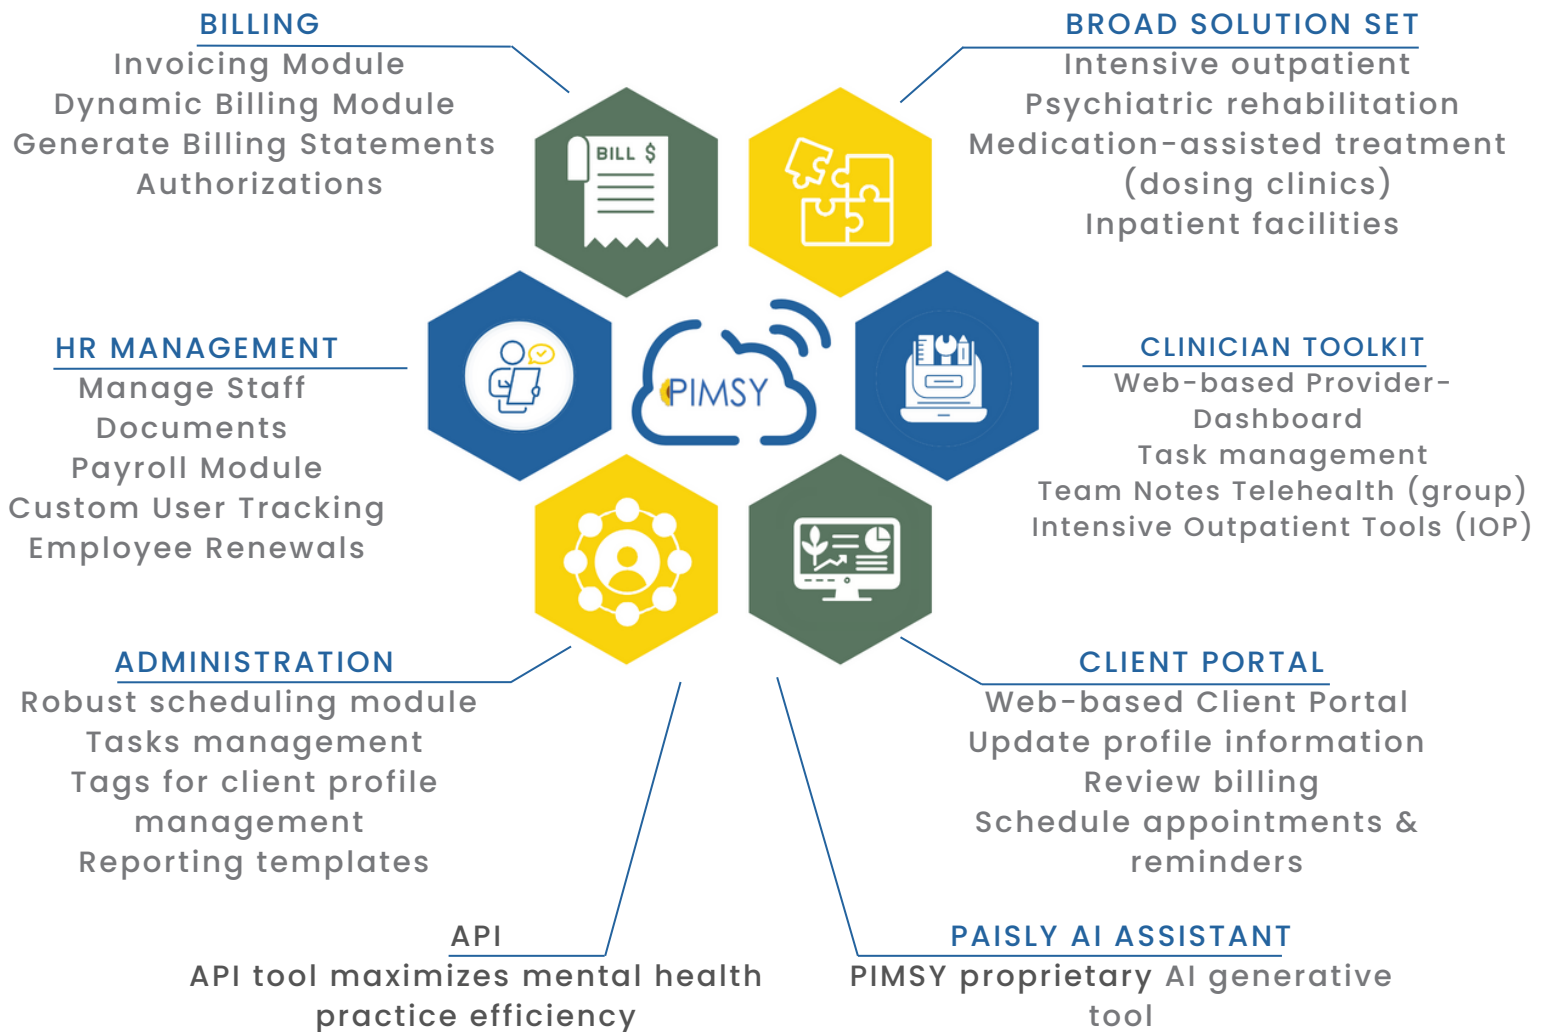

EHR Compliant

HIPAA-compliant solutions supporting unique mental & behavioral health needs, including IOP, psychiatric rehabilitation, medication-assisted treatment, and more.

Stellar Customer Service

PIMSY's reliable and indispensable EHR system ensures uninterrupted business operations, backed by a responsive U.S.-based Support Team that offers round-the-clock customer service options for prompt issue resolution.

A comprehensive range of solutions to improve productivity AND achieve your goals.
