4 Tips to Getting Your Claims Paid

Straightforward tips to avoiding common claim denial pitfalls

Did you miss our Scrub-a-Dub-Dub complimentary webinar?

Revenue Cycle Management (RCM) consultant Doug Finley shared the 4 keys areas where the claims process can fail - and how to clean your claims up. While the billing process is never easy - there are common pitfall areas you can focus on to help reduce denials and increase remittance.

Doug has more than 10 years of senior management experience in both the behavioral healthcare and internet technology fields. He leads the customer service and implementation teams and oversees the daily operations of Aym Technologies.

PIMSY EHR is thrilled to be partnered with Doug and his Revenue Cycle Management team at Aym Technologies, offering our clients both a comprehensive EHR and a proven-results billing service.

SHARING THE SHOUT-OUTS

"I have researched various EHR software over the past two years to manage our small outpatient mental health practice and found various issues with most of them (i.e., cost, being hostage to a particular clearinghouse, poor support/customer service, unable to customize software to our particular needs, wants and accreditation requirements) until now.
